# Maintenance

- Deletions
  - Monthly list from vendor sent to established email list
  - Each library removes from local catalog
  - Naturally removed from Prospector when all libraries have deleted locally
- Forgotten EBL credentials
  - Can manage locally in administration module

# Purchased Titles

- Point-of-invoice records not loaded
- Decision to use/create OCLC record instead
- Cataloged by one library (CSU)
  - 541 ## Permanent access license for participating libraries purchased from [vendor].
  - 909 ## DDAP
- MARC record sent to other libraries
- Overlay discovery record
- Libraries add holdings to OCLC

# Duplicate Titles

- Small approval program (YBP; print only)
  - When print version of DDA title is received, selector is notified that title is available in DDA e-book project
- Firm orders are assumed to be intentional request for print version
- Firm orders for e-books??

# Next Steps

- Continue to add second link to EBL records?
- Better procedures for duplicate prevention
- End of pilot?
- Short-term loans as collection development tool?

Questions??
