Memorandum for Senior Engineer E. F. Preece,  
National Park Service, Washington D. C.

Reference is made to your request of September 24 for 8x10 glossy prints of photos taken by Junior Archeologist Steen at Hovenweep National Monument. Since our funds for photographic purposes are practically microscopic in size I am mailing you the negatives exposed during the Hovenweep stabilization job. I hope that you may have the prints you wish prepared in the Washington office photographic laboratory.

Steen's report on the Hovenweep job is complete and a copy will be mailed to Washington within a few days.

PARKE W. SOULE  
Acting superintendent
