DEPARTMENT OF THE INTERIOR  
NATIONAL PARK SERVICE  
REGION THREE  
SANTA FE, NEW MEXICO

December 27, 1944.

MEMORANDUM for the Superintendent,  
Mesa Verde National Park.

Reference is made to your memorandums of December 7, one to the Editors, The Saturday Evening Post, and the other to the Director; both regarding Frank C. Hibbens' article in the S.E.P. issue of December 9. Enclosed is a copy of my memorandum of comment to the Director. The prints asked for in your postscript have been sent to the Director, and another set is enclosed for your files.

Also for your files, we are sending Hovenweep National Monument correspondence, formerly in the Southwestern National Monument files, dated November 14, 1924 to December 28, 1937.

The Regional Office photographic files contain a great number of Hovenweep pictures, some of which are referred to in this correspondence. It might be well for you to look these over some time when you are in this office and select such prints as you might wish to have in your files. If, at any time, you can spare someone to spend a few days in this office doing the work, a duplicate set of all of our prints dealing with areas under your supervision could be made up for inclusion in your photographic files. Duplicates can be obtained at any time from the negative numbers on the back.
