The unobligated balance as of May 31 in the Canyon de Chelly account was \$967.85. From this will come your salary for June of \$155.00, your per diem for June which will probably be in the neighborhood of \$75.00 (you can determine it more accurately than we can) and all costs of labor, rentals, service station deliveries, etc.

Mr. Balch will bring this memorandum with him and you should discuss with him in detail the expenditures which you plan to make on the Canyon de Chelly job. A list of these expenditures should be made up, including all probable items of cost, and mailed to us immediately so that we may be able to determine what balance will remain or how much money will have to be transferred to enable you to complete the job.

Please take care of this request as soon as Mr. Balch arrives since the end of the fiscal year is approaching, and in addition, we wish to return to the Treasury promptly after June 15 any Soil and Moisture funds which we cannot use.

Acting Superintendent.
