Dear Mr. Smith:

In answer to your letter of March 23, ordering a map of Hovenweep National Monument, we have enclosed one blackline print of land status map NM-NOV-5302.

Hovenweep National Monument consists of several detached sections lying partially in Utah and Colorado. This map shows the existing areas and two new areas proposed for addition to Hovenweep National Monument. The draft of the proclamation adding two new areas on which there are prehistoric ruins of importance has been prepared. We expect these two new areas to be added in the very near future. There is no charge for the print.

Sincerely yours,

(SIGNED)
