MEMORANDUM for the Director.

Reference is made to Mr. Lee's memorandum of August 13 with which he enclosed a copy of his memorandum of August 7, addressed to the Director, suggesting that there be eliminated, from maps and publications issued by the Service for general public distribution, all reference to Hovenweep National Monument. I fully concur in this suggestion; and, as indicated in my memorandum of August 18 to Superintendent Miller concerning the Gila Cliff Dwellings National Monument, copy of which was sent you, it is my thought that it also should be kept as a reserve area, and that reference to it too should be eliminated from our general publications.

Regional Archaeologist Reed suggests that Yucca House National Monument should be similarly considered and treated.

(SGD.) M.R. TILLOTSON  
Regional Director.

cc: Supt. Miller, SWNM.
