Superintendent of National Monuments
Mesa Verde National Park
Montezuma County, Colorado

Dear Sir:

We are anxious to get a map of the Hovenweep National Monument in the extreme southeastern portion in the state of Utah and we understand that you are in charge of that area.

If you have such a map, preferably topographic, we would appreciate your sending same to us at the above address. We shall gladly pay any incidental expenses in connection with it.

Very truly yours,

T. H. Barrett
