Memorandum

To: Regional Director
From: Superintendent, Mesa Verde
Subject: Informational Literature Hovenweep

With one or two very minor changes we are returning the draft of a proposed mimeographed leaflet on Hovenweep National Monument which was sent to us with Regional Archeologist Reed's memorandum of December 20.

We would greatly appreciate receiving about 200 copies which Dr. Reed says he can supply. In previous years, the 200 copies would last us for about two years. Because of greatly increased interest on the part of influential organizations and citizens in Cortez, it is now likely that 200 copies would constitute enough for the calendar year 1952 only.
