Memorandum

To: Superintendent, Mesa Verde  
From: Regional Archeologist  
Subject: Mimeographed information sheet on Hovenweep

The supply here of the subject leaflet is exhausted, and the January 1947 version of it seems to me to require a number of changes. The text as revised is attached in duplicate for review by you and your interpretive staff. It will be mimeographed here whenever we receive your approval or corrections. Please let us know how large a supply you would like to have.
