MEMORANDUM for the Superintendent, Zion and Bryce Canyon.

Enclosed, in accordance with my personal wire to you of April 6, is the manuscript which I have prepared for the article on Hovenweep National Monument for publication in Utah Magazine.

Nine 5 x 7 glossy prints, with descriptive and identifying captions on the back, also are enclosed. These photographs were taken by me in 1908 and were obtained through the courtesy of the School of American Research, Santa Fe, New Mexico. It is suggested that credit be given to both if published.
