MEMORANDUM

To: The Director, Bureau of Land Management.
From: The Associate Director, National Park Service.
Subject: Tract 37, Sec. 12, T. 38N., R. 20W., N.M.P.M., Colorado.

In response to an oral request made by Miss Lane of your office, concerning the Service's interest in the above tract which was surveyed several years ago at our request, this is to advise that we do not contemplate adding it to Hovenweep National Monument. It comprises one of the many small groups of ruins in this vicinity, two of the more important of which are now in the process of being added to the monument by proclamation.
