MEMORANDUM for the Regional Director, Region Three.

I am approving the revised Boundary Status Report for Hovenweep National Monument which was prepared by Superintendent Rose on December 30, 1947, and transmitted with your memorandum of January 26.

A form of proclamation to include the Goodman Point Ruin, along with the Hackberry Ruin, will be prepared as soon as surveys have been made and accurate land descriptions can be obtained.

I suggest that when the survey party visits the Goodman Point Ruin, an attempt also be made to determine the locations by accurate land line descriptions of Cutthroat Castle and possibly the Cannon Ball Ruins, and that you submit your recommendation as to whether they should be included in Hovenweep National Monument. These were the subject of much discussion in 1941.

Newton B. D. May
Director.
